**MONTROSE GIRL, WELL
KNOWN HERE. THE VICTIM**

Miss Elsie Vandergriff, one of the best known young ladies of Montrose and who has frequently visited in Grand Junction, claims that she was the victim of a robbery perpetrated by Eddie Gray, of Pueblo, aged 15 years, who acted as a messenger in the senate during the session of the legislature. The boy was arrested in Denver yesterday on the charge of stealing \$136 from Miss Vandergriff who was assistant reading clerk of the senate.

When taken before Chief of Police Armstrong, of Denver, the boy emphatically denied the charge made against him. A search of his clothing and his rooms failed to reveal the money. Despite this, the boy was locked up in the matron's quarters of the city jail last night pending an investigation of the case.

Miss Vandergriff says that she left her purse, containing \$136, on her desk in the senate chamber Monday. When she returned to the desk the purse was gone. She declares that she is confident Gray took the purse during her absence.
